Modern Dental Assisting eBook

Modern Dental Assisting is the official reference material recommended by the MDA EFDA Program for all courses offered. We recommend assistants own a personal copy or have a dental office copy they can access for additional information related to topics discussed and procedures shown. Where applicable throughout the curriculum, the Modern Dental Assisting reference will be noted. To facilitate assistants and/or supervising dentists owning this text, the MDA offers Modern Dental Assisting as a Pageburst eBook for a reduced price.
The eBook is accessible by multiple individuals, as long as the login/password is shared.
The MDA is not able to access or reset logins.
